

# CORAL PENDANT

The David Trubridge Coral (2002) is based on one of the geometric polyhedra that have interested David since he was a boy. Constructed from 60 bamboo plywood modules, which are available in Natural, Caramel stained and painted finishes. The Coral provides a dramatic shadowing effect on walls and ceiling and can be supplied in the following sizes: 400mmØ, 600mmØ, 800mmØ, 1000mmØ, 1200mmØ and 1600mmØ

## Globe Type:
